Return to Wrestling Restart 2.0

Any club wishing to deliver wrestling programming must first update their COVID Safety Plan to comply with the current BCWA Return to Wrestling Restart 2.0 Guidelines and Public Health Order update. This must be submitted and approved by BCWA BEFORE any programming is delivered.

If you need any further support or require sanctioning, please contact Non Ha at execdirector@bcwrestling.com or phone 604.737.3092 ext. 2.

As we learn more about the particular sport details under the Government's Restart Plan, we will formally update our BCWA Return to Wrestling Restart 2.0 Guidelines.
