2Mev FAQ's

"What do you mean by affiliate or affiliated?"

Like a roster, affiliation means that athletes or members will be connected to a team over the 2Mev database so that they can be registered for future events. Note, coaches may register athletes or they may register themselves. This function takes the administrative load off of the coach as athletes or parents may now register themselves and affiliate with the team.

"I'm a coach for multiple teams. Does this mean I have to purchase multiple coach memberships?"

No! You only have to purchase one coaching membership. Contact info@2mev.com and info@bcwrestling.com to be affiliated with multiple teams/clubs.

"I'm a coach but also an athlete (and/or official), do I need to purchase two memberships? One for being a coach and one for being an athlete?"

Yes, members must register for each BCWA membership that they currently hold. When going through the registration process, you can select multiple membership categories for an individual so you do not have to repeat the process of registering.

"I think I accidentally registered myself in the system, and so did my coach – so I might have two accounts. What do I do?"

Contact info@bcwrestling.com for follow up and to have your accounts merged.
