## Official 12 - 4 credits

For the practical officiating experience, a student official must complete the minimum number of officiating hours as indicated. Officiating hours between each level (Official, 10, 11 and 12) are cumulative and can be acquired in more than one sport. For students who accumulate officiating hours in more than one sport, it is mandatory they complete the theory, examination and evaluation/assessment component independently for each sport if they wish to earn credit for the particular sport officials program.

The student official must have a record (booklet, passport, etc.) that is signed by a provincial sport organization official to confirm the completion of the components and indicating the number of hours spent on the practical component.
